

Mars Hill Uniform Requirements

As of July 2022, we will be ordering uniforms from Lands End.

For the 2022-2023 school year: **ALL girls are required to purchase new skirts** from Lands End and **ALL boys are required to purchase new ties** from Lands End.

If you already have pieces from the old school uniform that still fit, you only need to order new ties for boys and new skirts for girls for the 2022-2023 school year. We will eventually be switching everything over to Lands End. **If you need any new uniform pieces or are buying a uniform for the first time, please use Lands End for everything.** Link to our Lands End school page:
